1.0 BACKGROUND

I Choose Life - Africa (ICL) is a leading youth focused Non-Governmental Organizations that has significantly contributed to the realization of socio-economic development and empowerment of individuals bringing about transformative change across communities in Kenya. The organization has over 16 years' experience implementing evidence-based adolescents and youth programs in over 345 institutions of learning (Primary, Secondary and Higher learning institutions) across 25 Counties in Kenya. ICL aims at contributing towards improved life opportunities of adolescent and youth aged 10-24 using a holistic transformational model. ICL employs evidence to design and run innovative and high impact interventions to improve key indicators in health, education, economic empowerment and leadership and governance with regards to children, adolescents and youth. To ensure maximum impact, ICL utilizes a multi-sectorial approach, Quadra Helix development approach (which brings together the Government, Private sector, Academia and Civil society) to foster innovative and sustainable transformation in communities. In this model ICL envisions better health and well-being, quality education and improved livelihoods for sustainable development. In her work, ICL is guided by Vision 2030 whose objectives it seeks to cascade to counties, sub counties, wards, organized groups and households. In her sustainable and transformative service delivery, ICL invests in generation and documentation of evidence to influence policy and practice. The organization is guided by a vision of a ***“Healthy Africa, Empowered People!”*** and is on a mission to ***improve the life opportunities of youth aged 10-24 through strategic empowerment for sustainable development.***

1.1 BRIEF OVERVIEW OF THE PROJECT

Afya Ziwani focuses on implementing the 95-95-95 initiative, including DREAMS and County strengthening interventions. The DREAMS initiative seeks to reduce new HIV infections in adolescent girls and young women. AGYW interventions under DREAMS focus on primary prevention using a country determined core package of evidence-based interventions that have successfully addressed HIV risk behaviors, HIV transmission and gender-based violence. This package is laid out in the **KENYA DREAMS LAYERING TABLE**. The AGYW/DREAMS component falls under **Objective 1** of the USAID/Afya Ziwani contract.
