

Healthy Africa, Empowered People

CLINICAL OFFICER - BOMET

Position title	Clinical Officer	Reports to: Regional Manager	
Program	Jiimarishe Project	County	Bomet
<p>I Choose Life Africa (ICL) is a Kenyan youth-focused Non-Governmental Organization that has for the last 17 years supported the Government of Kenya to improve the lives and opportunities for young people. ICL has established a strong footprint in our economy's key sectors across 26 counties in Kenya. Our Vision is 'Healthy Africa, empowered people!'. Our Mission is to improve the life opportunities of 1 million youth aged 10-24 through strategic empowerment for sustainable development. Our programs have been the catalyst to socio-economic development as envisaged in our constitution and Kenya's strategic focus. ICL has primarily focused on implementing holistic and sustainable development programs in four pillars: Health, Economic Empowerment, Education, Leadership, Governance, and Institutional Strengthening. ICL utilizes a multi-sectoral approach (Quadra Helix) to ensure maximum impact, which brings together the government, private sector, academia, and civil society to foster innovative and sustainable transformation in communities. ICL has primarily focused on implementing holistic and sustainable development programs in four pillars: Health, Economic Empowerment, Education, Leadership, Governance, and Institutional Strengthening. ICL utilizes a multi-sectoral approach (Quadra Helix) to ensure maximum impact, which brings together the government, private sector, academia, and civil society to foster innovative and sustainable transformation in communities.</p>
